91 – 97 Thompson Ave
Cowes, Phillip Island, Victoria, 3922

venuehire@basscoast.vic.gov.au

basscoastculturalvenues.com

1. Safety

IMPORTANT NOTE: Fire Detection & Suppression System

The venue is equipped with a fire detection and suppression system. The hirer is responsible for advance notice of intended use of smoke/haze effects so smoke isolation can be made available.

Penalties apply for emergency fire service attendance.

Test & Tagging

All venue electrical equipment is tested and tagged according to AS/NZS3760 Australian Standard. All electrical equipment brought into the venue **must be** tested and tagged to this Australian Standard. Testing of a small number of items can be facilitated, **at hirer cost**, by prior arrangement.

Inductions

The hirer will undertake a site safety induction prior to any works in the venue. This induction will be provided by the Duty Technician. Schools and large groups will be given a general safety induction on their arrival. This induction will be valid for the entirety of the hire only.

Wardens

The hirer to provide a head delegate to act as Area Warden for the BOH area. This person will be inducted on the warden procedure upon their arrival. They will be responsible for marshalling all hirer personnel and the BOH area in the case of emergency, under direction of the venue's Chief Warden.

Hirer to provide a list of all hirer personnel accessible by the hirer's head delegate at all times.

Incidents & Near Misses

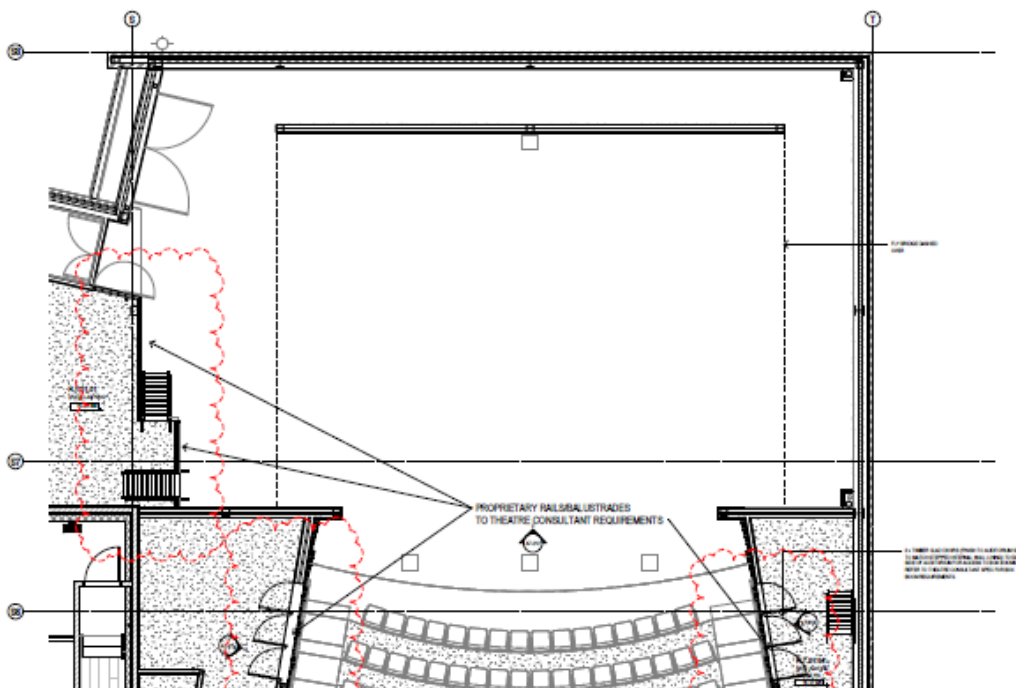

All incident and near misses must be reported to the Duty Technician or FOH Manager immediately. A formal Bass coast Shire Council Incident form must be completed and submitted by venue staff.

First Aid Kits & Defibrillator

The venue has First Aid Kits, a Defibrillator and staff on site that can administer first aid if required. Any use of First Aid equipment must be reported to venue staff.
